EXPLANATION: Matter in (1) *blue italics* is new language in the **original bill**; (2) *green italic underlining* is new language **proposed in this amendment**; (3) ~~red strikethrough~~ is deleted language in the **original bill**.

The Grants Management Advisory Committee, the Commission on Aging and the Commission on Services for People with Disabilities will each submit a report to the Department Director by June 30 of even numbered years. The report will include recommendations about community needs and priorities determined during public hearings conducted by each entity in accordance with their governing NRS. In preparing the biennial budget request for the Department, the Director of the Department shall consider the list of priorities submitted by Grants Management Advisory Committee, the Commission on Aging and the Commission on Services for People with Disabilities in developing a plan to determine the percentage of available money in the Fund for a Healthy Nevada to be allocated from the Fund for the purposes described in paragraphs (c), (d), (f), (g) and (h). The plan must be submitted as part of the proposed budget submitted to the Chief of the Budget Division of the Department of Administration pursuant to NRS 353.210.

On or before September 30 of each even-numbered year, the Director of the Department shall submit to the Grants Management Advisory Committee, the Commission on Aging and the Commission on Services for People with Disabilities a report of the funding allocation plan for the Fund for a Healthy Nevada.
